### DGK Column

Brother Knights,

I know that many of you can't make it to monthly business meetings, but I also know that you find other ways to pitch in to support our council every year. And here's your big chance – because it's May, and that means it's time for our annual **TOOTSIE ROLL DRIVE!**

This effort generates thousands of dollars annually to assist the mentally handicapped through special education programs, Special Olympics, camps and other agencies in Londonderry, Windham and throughout the state. Last year our local council collected nearly \$2,500 in donations, and this year we hope to do even better.

Volunteers will be needed on Friday May 12th from 6:00 PM to 9:00 PM (at Shaw's in Londonderry and Windham, and Market Basket), and Saturday May 13th from 8:00 AM to 4:00 PM (in two hour shifts) at those locations, plus Dunkin Donuts (near Home Depot and near

Getty) and Waterhouse Country Store. You can sign up on our web site at [www.kc10488](http://www.kc10488) activities/community/tootsie\_roll\_drive, or if you prefer you can send me an e-mail at [ron@turcotte.com](mailto:ron@turcotte.com) or call at 437-6549. Your help is greatly appreciated.

Of course, you're all invited to join us at our next Business meeting on Thursday April 27<sup>th</sup> at 7:30 in room 209 at St. Mark's. We're still looking for candidates to fill a few more officer positions next year, so look for more information in this issue of the newsletter. Elections will be held at May's business meeting on Thursday, May 25<sup>th</sup>. Please come cast your vote!

One last note - if you're interested in attending this month's "Seventh Trumpet Mass" to pray for vocations, the next mass will be on Sunday April 23<sup>rd</sup> at St. Anselm College. You can learn more at [www.liveinblackandwhite.com](http://www.liveinblackandwhite.com). If you're a 4<sup>th</sup> degree Knight, you are encouraged to come in full regalia.

Yours in Christ,

Ron Turcotte, DGK

### From our Chaplain!

Hello to all you worthy Knights. It has been some time since I have been able to write to you, but I wanted to wish you a Blessed Easter Day and Easter Season. This time of year we hear readings that speak of the early Church, our ancestors in faith. As you listen carefully to them over the next few weeks, it might be good to ask yourself if what we hear about them is still true of us. Have we followed in our ancestor's way of life? I think you will find that we do, and especially we find this in the activities of the Knights.

Things are much more organized now, we have meetings and we plan and we propose and we vote. This is different than the early Christians, but in all this we also commune, and pray, and serve those in need. We do this as Knights, and this is a great sign of God's Spirit still living and working in the world. May God continue to pour out His Spirit on us so that we may be effective in living out this Christian life as individuals, as families, and as a Council. God Bless,

Happy Easter,

Fr. Thom

Marriage is like a railroad sign... first you stop, then you look, and then you listen

A famous art collector is walking through the city when he notices a mangy cat lapping milk from a saucer in the doorway of a store and he does a double take. He recognizes that the saucer is extremely old and very valuable, so he walks casually into the store and offers to buy the cat for two dollars.

The storeowner replies "I'm sorry, but the cat isn't for sale. The collector says, "Please, I need a hungry cat around the house to catch mice. I'll pay you twenty dollars for that cat." And the owner says "Sold," and hands over the cat. he collector continues, "Hey, for the twenty bucks I wonder if you could throw in that old saucer. The cat's used to it and it'll save me from having to get a dish." And the owner says, "Sorry buddy, but that's my lucky saucer. So far this week I've sold sixty-eight cats."

Three guys go in for a job interview, all at the same office. The first one goes in for his interview and the interviewer says, "What's the first thing you see when you look at me?" The guy says, "That's not too hard, you've got no ears." The interviewer says, "That's it, get out, you'll never be seen around here again." The second man takes his turn and is asked the same question. The applicant replies, "Uh, you've got no ears." The interviewer throws the guy out, cursing and yelling that he'll never get a job with his company. As he is leaving, the second guy warns the third guy, "Listen man, whatever you do, don't say he hasn't got any ears. He's so touchy with the ear thing." "Okay," said man #3 on his way into the office. Once inside he is told, "Name the first thing you notice when you look at me." The guy answers, "That's easy, you wear contacts." The interviewer was flabbergasted, "How on earth did you know that, son?" "What? Are you stupid? You can't wear glasses, you've got no ears!"
